DATE OF INFO. PLACE			et c	NG. OF EN	n	50X1-HUM	
ACQUIRED			CIRCULAT	E REPORT N			
1.	A Soviet airfield the road from Malc at Retzow, Kreis F	hin to Stavenhage	n. An airfie	eld will also b	e built		
2.	The former Air For are being repaired are no Soviet airr	l rapidly. About				50X1-HUM	
	mostly officers, already have been trained as pilots. Seventy-five Vopo officers have been trained by Soviet pilots at Damgarten-Putnitz alone. The Damgarten airfield now has its own railway siding leading directly to the field. German civilians can no longer come on the field. Five Soviet MIG planes were wrecked there in the last three weeks because the starting and landing strips are too short.						
3•.	Vopo officers have alone. The Damgar directly to the fi Five Soviet MIG pl	e been trained by ten airfield now eld. German civil anes were wrecked	Soviet pilots has its own r ians can no l there in the	lots. Seventy at Damgarten- ailway siding onger come on last three we	-five Putnitz leading the field.	iz ei,	
3. 4.	Vopo officers have alone. The Damgar directly to the fi Five Soviet MIG pl because the starti 15 May 1952: For activities at Damg collided in the ai three more machine were killed. The	the been trained by ten airfield now ald. German civil anes were wrecked ng and landing st at least eight da arten. About 10 r and crashed. But met with accide new fast jet plan	Soviet pilots has its own r ians can no 1 there in the rips are too ys there have days ago two ecause of the nts in the la	lots. Seventy at Damgarten- ailway siding onger come on last three we short. been no more MIG jet fighte short landing st 12 days. T	-five Putnitz leading the field. eks flying rs strip, he pilots
